

Coalition for Women and Children

Whereas the California State Budget is in Crisis, and
 Whereas Abortion Increases the Risk of Breast Cancer, and
 Whereas Abortion Increases the Risk of Miscarriage, Premature Birth and Infertility, and
 Whereas Abortion Increases the Risk of Depression and Suicide, and
 Whereas the Abortion Industry does NOT NEED our Tax Dollars, and
 Whereas the Abortion Industry does NOT DESERVE our Tax Dollars and
 Whereas Abortion DISPROPORTIONATELY IMPACTS African Americans, Latinos and other MINORITIES.

Therefore We Request that the California State Legislators **Eliminate Abortion Funding** from the 2008-2009 State Budget. The \$32 Million spent annually on this **Elective Procedure** can be used to better serve our Citizens, especially the Women and Children of our great state. This **Private Decision** between a woman and her doctor should not be **Publicly Funded**.
